

MINDY BRADFORD
PRODUCT REVIEWER
INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION

Mindy Bradford joined the Interstate Insurance Product Regulation Commission (“IIPRC”) as a Product Reviewer on May 18, 2015. The Product Reviewer’s primary responsibility is the review of all products filed with the IIPRC including review for compliance with the IIPRC Uniform Standards and all applicable IIPRC Operating Procedures.

Prior to joining the IIPRC, Mindy was employed by Auto-Owners Insurance Company for eleven years and held several different positions during that time. She started her career at Auto-Owners in May 2004 as an Associate Actuarial Technician where she reviewed and implemented rates for several lines of property and casualty insurance and was involved in reserving for life products.

In December 2005, Mindy transferred to the newly formed Life Compliance Department within AutoOwners Life Insurance Company as a Compliance Specialist. While there, she was responsible for framing the responsibilities of Life Compliance Department associates and revising each of the life products in conjunction with the implementation of the 2001 CSO Mortality Table. Mindy’s primary responsibilities included new product development and current product revisions; drafting policy language according to state regulations and IIPRC standards; filing completed products; and keeping forms and processes compliant for life, annuities, disability income, and long term care.

Mindy is a graduate of Central Michigan University with a Bachelor of Science degree in Mathematics and a Master of Business Administration. She has also earned the Fellow, Life Management Institute (FLMI) designation.
