

**KATIE CAMPBELL**  
**ACTUARY**  
**INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION**

Katie Campbell joined the Interstate Insurance Product Regulation Commission (“Insurance Compact”) as an Actuary on July 13, 2015. Katie’s primary responsibility is to review actuarial memoranda submitted with product filings to the Insurance Compact for compliance with the actuarial requirements as established in the Insurance Compact Uniform Standards.

Prior to joining the Insurance Compact, Katie was employed by the Alaska Division of Insurance (DOI) for almost 23 years. She was the Life/Health Actuary and supervisor of the life and health filing and market conduct section supervising four staff. She has experience with a wide variety of annuity, life, and health insurance products. Over the course of her employment with the Alaska DOI, Katie served as the DOI representative on several boards and task forces. In addition, she was an active member of the NAIC Life and Health Actuarial Task Forces, including serving as Vice Chair of the Life and Health Actuarial Task Force for two years and chairing several subgroups.

Katie was employed as an actuarial student at two life insurance companies before joining the Alaska DOI and worked in various section/departments, including financial reporting, group health, individual life and annuity product development, and reinsurance.

Katie is a graduate of the College of St. Catherine in St. Paul, MN, with a Bachelor of Arts in Mathematics and Quantitative Methods. She has earned the FSA designation and is member of the American Academy of Actuaries (MAAA). She has served as a regular director on the American Academy of Actuaries board of directors and currently serves on the American Academy of Actuaries Committee on Qualifications.
