SEEKING APPLICANTS FOR CONSUMER ADVISORY COMMITTEE
Applications Now Being Accepted

The Interstate Insurance Product Regulation Commission (Insurance Compact) is accepting applications for its Consumer Advisory Committee. The committee is comprised of eight (8) members. There are currently three (3) vacant seats.

The Consumer Advisory Committee (CAC) serves a vital role in the Insurance Compact process by participating in meetings of the Commission and its committees to provide consumer-focused perspectives on a wide range of issues pertaining to individual and group annuities, life, disability income and long-term care insurance products. Representatives from Autism Speaks, National Alliance for Mental Illness (NAMI), Center for Insurance Research, and former insurance regulators currently serve on the CAC.

The Insurance Compact is seeking candidates representing consumer interests in matters before the Insurance Compact and has recently updated the scope of criteria of persons eligible to serve:

2. Person who previously served, but no longer affiliated, as employee for state or federal regulatory agency addressing consumer protection matters within Compact’s scope and no insurance industry interests; or
3. Person demonstrating experience in advocating or adjudicating consumer protection matters and issues related to the scope of the operations of the Insurance Compact and no insurance industry interests
