AMENDMENT TO THE RULE FOR ESTABLISHMENT OF CONDITIONS AND PROCEDURES FOR PUBLIC INSPECTION AND COPYING OF INFORMATION AND OFFICIAL RECORDS OF THE INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION

Purpose
In order to increase transparency in the review process and achieve consistency within the rule, the rule for establishment of conditions and procedures for public inspection and copying of information and official records of the interstate insurance product regulation commission shall be amended as follows (new language is underlined, deleted language is struck through):

. . . .

(b) The following Records are not public and shall be exempt from inspection, examination and copying:

. . . .

(11) Product filings that are pending approval, have been disapproved, or are withdrawn.

(c) All requests for access to Commission records shall be in writing and be sent or delivered by mail, electronic mail, hand-delivery or facsimile transmission. The Commission shall not accept verbal or electronic mail requests. All requests shall include:

. . . .

. . . .

(b) If a request is denied, in whole or in part, because it seeks Records that are not Public Records, the Custodian of Records shall send notice to the Requestor of the denial in writing within ten (10) working days of receipt of the request (or any longer period if extended pursuant to Section I subsection (a) of this section) and the Requestor may appeal the denial as provided in Article VII Section 107 of this Rule. The notice of denial shall contain the following information:

(1) A description of the Record or portions of the Record to which access is denied provided the description does not disclose information exempt from disclosure.
(2) Identification of the category or categories that makes the Record exempt from disclosure under Article III, Section 2 Section 103(b) of this Rule.

§ 105. Applicable Fees and Charges.

(a) Upon a request for a copy or certified copy of Public Records, the Commission shall prepare an invoice reflecting the applicable charge based on the total number of copies and any special service charges within the time provided in Article IV, Section 1 Section 104(a) of this Rule.

§ 107. Appeals of Determination.

(c) A notice of appeal must state the specific reasons upon which the Requestor asserts that a Record or any portion thereof qualifies as a Public Record, or upon which an Insurer claims the information qualifies as a Trade Secret. A notice of appeal that fails to comply with this requirement shall be dismissed for lack of specificity, but may be refiled within the period described in Section 2 subsection (b) of this section. If a notice of appeal is not timely filed, the determination of the Custodian of Records shall be final and binding on the Requestor and the Insurer, as applicable.

(f) The Appeals Committee shall issue a written decision within sixty (60) calendar days of the mailing date of the notice of appeal, unless it has provided an Insurer with an opportunity to respond to a dispute involving Insurer’s trade secret or it has requested oral testimony under Section 5 of this Article subsection (e) of this section, in which case it shall issue a final determination within sixty (60) calendar days after receipt of the Insurer’s response or receipt of the transcript of oral testimony, whichever is later. The decision shall include a narrative explaining the basis of its decision.
