It was noted that there will be situations where there are multiple beneficiaries each entitled to proceeds under the contract, so for clarification we are submitting the changes below for Item (4) of the proposed standards:

(4) The contract may require that due proof of the death of the measuring life will consist of:

(a) a certified copy of the death certificate of the measuring life, or other lawful evidence providing equivalent information;
(b) each claimant's completed claim form;
(c) each claimant's completed request for redemption form; and
(d) proof of each claimant's interest in the proceeds.”
