Group Products	Amendments for Non-Employer Group Terminology and Provisions for to Existing Group Uniform Standards	Amendments to eight group life Uniform Standards for non-employer groups, that are permitted in the jurisdiction where the policy is delivered or issued for delivery. The policies may provide benefits to eligible group members and eligible dependents of such group members, as permitted by the jurisdiction of the group situs. The proposed amendments would expand the scope from traditional employer groups to eligible non-employer groups that are permitted in a particular state or jurisdiction.	This request would allow insurers to more efficiently file for approval of a wider variety of group term life insurance products which in turn would benefit those consumers who are unable to obtain group term life insurance through employers. These products have been filed an approved in Compacting States.	Amend <b>Low Priority – wait for Rule-making Comm.</b>	ACLI New York Life
