The Compact Office extends congratulations to our employee, Katherine (“Katie”) Campbell on her well-deserved recognition by the Academy of Actuaries at their Annual Meeting as the recipient of its Robert J. Myers Public Service Award. Katie joined the Compact in 2015 after years of distinguished service at the Alaska Division of Insurance and active participation in many NAIC actuarial regulatory initiatives. Katie has always demonstrated conscientiousness and commitment to excellence in her profession and the regulatory community. We are very proud she is on the Compact team serving the Compacting States and working with company filers to ensure products comply with detailed actuarial requirements of the Uniform Standards.
