[Request Form - Group Term Life Insurance Standards.pdf](#)

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Attached are the Request Forms for (1) new standards for individual disability buy-sell insurance policies and individual disability key person replacement insurance policies and (2) amendments to the group term life insurance policy and certificate standards for employer groups and seven other related group term life insurance standards.

I plan to submit the individual disability related standards either tomorrow or Friday, and the group term life insurance related standards during week of July 12.

We would also request consideration of the development of standards for (1) group whole life and (2) graded death benefits for group whole life that we proposed in 2018. In addition, we continue to support the adoption of the various life insurance and individual annuity standards that are contained in the *2018 Priority List for Uniform Standards Development* and remain pending - they are listed in the May 20, 2021 Chart from the Compact Office.

Thank you for your consideration.

Wayne
