

BECKY MCEL DUFF
DIRECTOR OF PRODUCT OPERATIONS & CHIEF COUNSEL
INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION

In her role as Director of Product Operations & Chief Counsel, Becky McElduff is responsible for coordination of the product operations of the Insurance Compact, working closely with our product review team, member regulators and company filers to ensure responsive and high-quality review of product filings on behalf of Compacting States. Becky continues to support the Product Standards Committee in the development of uniform standards and work with SERFF to maintain speed-to-market best practices in the filing process. She plays a key role in outreach to Compacting States and the industry to encourage increased awareness and utilization.

Prior to joining the Insurance Compact, Becky was with the National Association of Insurance Commissioners (NAIC) for ten years, primarily as Senior Counsel. Becky served as primary staff support to the Insurance Compact Product Standards Committee and its predecessor NAIC working group since before the Compact became operational in 2006. Becky also provided legal support to the start-up and ongoing operations of the Insurance Compact, as well the adoption and implementation of new Compacting State legislation. In other work for the NAIC, Becky provided primary staff support for various task forces and working groups across the committee structure, advised on membership initiatives and NAIC systems and processes such as SERFF and Market Conduct Annual Statement, prepared amicus briefs, performed legal reviews for the accreditation program; supported licensing and protection of the corporation's intellectual property, and negotiated consultant and other business contracts.

Prior to joining the NAIC, Becky worked in private practice and clerked at the Missouri Court of Appeals, Western District. She earned her undergraduate degree in journalism and her law degree from the University of Missouri-Columbia. She is licensed to practice in Missouri.
